EXPLANATION:

WOMEN

In the different poule's all the teams play 2 or 3 games. After that the nrs. 1 and 2 play against each other (I - P and Z); the last sixteen. The winners of the games I-P will play against each other for the quarter finals (Q-T). The winner of game T has to play against the winner of game Z for the 4th place in the semi-finals (ZZ). The semi-finals will be played by the following teams: winner Q, R, S and ZZ (U and V). The winners of U and V play in the final and the losers for the 3rd and 4th place.

Also the losers of the games Q, R, S and ZZ play against each other (X13 and X14). The winners of X13 and X14 play for the 5th and the 6th place and the losers play an extra game (XX). For the 7th and 8th place play the loser of game T and the winner of game XX. The loser of game XX is automatically nr. 9.

The losers of the games I up to and including P play against each other in game X5-X8. The winners play against each other in game X11 and X12. Then an extra game is played between the losers of game X8 and Z (YY). The losers of game X5, X6, X7 and YY play in the games X9 and X10. The winners of X11 and X12 play for the 10th and the 11th place and the losers for the 12th and 13th place. The winners of the game X9 and X10 play for the 14th and 15th place and the losers for the 16th and 17th place. Nr.18 is automatically the loser of game YY.

The nrs. 3 and 4 of the poule's play against each other (AA-HH). The winners of these games play the games MM-PP and the losers X15-X18. The winners of the games MM-PP play in the games SS and TT. The winners of these last two games play for the 19th and 20th place and the losers for the 21st and 22nd place. The losers of game MM-PP play in the games X23 and X24. The winners of these last two games play for the 23rd and 24th place and the losers for the 25th and 26th place. Th winners of the games X15-X18 play in the games X19 and X20. The winners of these games play for the 27th and 28th place and the losers for the 29th and 30th place. At last the losers of the games X15-X18 play in the games X21 and X22. The winners of these games play for the 31st and 32nd place and the losers for the 33rd and the 34th place.

MEN

The nrs. 1 and 2 of the poule's play in the quarterfinals. The winners play in the semi-finals and the winners of the semi-finals in the final. The losers of the semi-final play for the 3rd and 4th place. The losers of the quarterfinals play in the games Y1 and Y2. The winners of these games play for the 5th and 6th place and the losers for the 7th and 8th place.

The nrs. 3 and 4 of the poule's play in the games II-KK. The game 3B against 3D will be played twice, because both teams play then at least 6 games.

Then 2 new poule's will be created: E and F. In poule E will be placed the winners of the games II-KK and in poule F the losers. In the poule they play against each other and the standings of the poule's will be counted for the rankings: nr.9 is the nr.1 of poule E, nr.10 the nr.2 of poule E and nr.11 the nr.3 of poule E. The nr. 1 of poule F will be nr. 12, the nr. 2 will be ranked 13 and the nr.3 is 14.
