

Revised AGA dates: Friday 22nd - Sunday 24th January, 2021.

Dear FGG Assembly Member,

Apologies but I noticed an error in the dates of the AGA in the email that was sent yesterday.

Please see the corrected revised dates below:

1. **Revised dates:** We have decided that the AGA 2020 should be deferred to January 2021 and conducted in London over 3 days from **Friday 22nd to Sunday 24th. Board Meetings will bookend the event, occurring on Thursday 21st and Monday 25th January.** We have not currently decided on meeting times or venue. *This is a one-off measure to deal with our current exceptional circumstances and not designed to set a precedent.*
2. **New format:** This will be a “hybrid” AGA offering the ability to attend in person or virtually via an, as yet, unspecified technology. *Note: The entire AGA may have to be conducted virtually with no in person attendance depending on travel restrictions imposed by countries and/or the travel industry. However, as of now we are planning to support both in person and virtual attendance.*
3. **Bidding Process change:** Bidders will not be physically present at the AGA and instead will be required to submit video presentations 3 weeks prior to the AGA. We will have 2 weeks to review the submissions and compile questions and the bidders will have 1 week to supply responses. *Make sure to check your gaygames email address for information on the details of this process over the next several months.*
4. **Site Selection date unchanged:** The vote for site selection shortlist will remain Jan 31st, 2021.

Now that we have a strategy in place, we will start to flesh out the details that these changes will require. We will be communicating all updates and process change instructions to **your gaygames email address** so be sure to check this email regularly.

If you have any questions, contact AGA2020@gaygames.net.

With warmest wishes for your health and your safety,
Viv, VP Ops
